

EXHIBITION OF OLD CARS, PARADE DRIVING AND PRIVATE LAPS ON THE CIRCUIT

Modalities of exposure 2022

Registering for the "Collector's Rate" entitles you to:

- A " Full-Access " entry at a preferential rate (with the possibility of adding 1 to 3 accompanying persons).
- An exhibitor's badge to be affixed visibly on the vehicle.

The parking of the exhibitors' vehicles will be carried out under the directives of persons delegated on site by the Tourist Office and the Organization.

No installation of your own will be possible. The exhibition package will be collected at the reception point at the entrance of the exhibition area after the conformity of the vehicle presented.

In all cases, an ID and the receipt of your order (to be printed by you) will be requested for the withdrawal of the documents and a takeover signed by you.

Arrivals on site will be possible from 8:00 a.m. on Friday 20, Saturday 21 and Sunday 22 May 2022 (possibility to arrive the day before on request).

Only PRE-79 vehicles and vehicles belonging to the "Happy Few" list (see next page) will be selected to participate in the exhibition.

The exhibited vehicles remain under the entire responsibility of their owners as for the damages that could be committed and will not benefit from any guarding of the organizer.

They will be able to enter and leave the exhibition freely during the day, if necessary, but, for a maximum visual interest of the visitors, you will be asked to remain on site during the meeting hours, in order to avoid momentarily vacant places.

For those registered for the driving and lapping sessions, please note that these sessions are guaranteed in terms of time on the circuit but not their schedules. The sessions will take place as far as the constraints of the meeting will allow it. In case of delay on the initial timing, incidents or accident on the track, generating delays, some sessions may be postponed and/or cancelled. In case of cancellation, a refund will be made after the meeting.

The meeting REMAINS PRIORITY as regards the use of the track, in terms of respect for the timing and TV broadcasts. The exhibition of your vehicle includes a clause of right to the image relating to this one during 5 years.
